

E-mail and Anti Spam Policy

We have created this email policy to demonstrate our firm commitment to your privacy and the protection of your information.

Why did you receive an email from us?

If you received a mailing from us, (a) your email address is either listed with us as someone who has expressly shared this address for the purpose of receiving information in the future (“opt-in”), or (b) you have registered or purchased or otherwise have an existing relationship with us. We respect your time and attention by controlling the frequency of our mailings.

Sharing and Usage

We will never share, sell, or rent individual personal information with anyone without your advance permission or unless ordered by a court of law. Information submitted to us is only available to employees managing this information for purposes of contacting you or sending you emails based on your request for information and to contracted service providers for purposes of providing services relating to our communications with you.

How can you stop receiving email from us?

The Cyclops Group provides customers with an easy means to decline receiving e-mail offers. Although some customers will appreciate receiving notice of these carefully designed opportunities, we recognise the importance of providing you with choices. Each email sent from our marketing software contains either an easy, automated way for you to cease receiving email from us, or to change your expressed interests. If you wish to do this, simply follow the instructions at the end of any email. If you have received unwanted, unsolicited emails sent via this system or purporting to be sent via this system, please forward a copy of that email with your comments to customerservices@cyclops-electronics.com for review or by calling our customer service team on 08451 606060.

How to contact us

You can contact us by writing to the Head of Marketing, Cyclops Group, Cyclops House, Link Business Park, Osbaldwick, York, YO10 3JB or by email to customerservices@cyclops-electronics.com
